OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 6/17 1891

My dear Sam.

I wrote you a matched scrawl I know yesterday, but I wanted to immediately acknowledge the receipt of yr letter - Penny was in to see me and I presume you are already in receipt of his leg. saying that he cannot leave here now. I did not get a very clear idea of his consumption but I think it will end with the summer and I doubt if its associations are desirable. I encouraged him to keep in communication with you, as I can believe it possible he may yet go to you - He asked if Stanford was with you. I told him I. was considering and the matter while not giving yr his go by as you are not yet quite ready for him. I presume, from what they told me, that Judge and Will Goodwin were both away from home when you sent those certificates & may be still - The Judge told me he would not be back here - quincy - to disburse any funds on stock purchases or I. interests

P.S. This is the third day of almost intolerable heat. 98° - and 50° in N.C.

before July 1st and will said the same.
In case you need to refer to any one in Dr. Isbor other purchases - better refer to me as Genl Mgr of the I.M.V.M. Co.
If I shd not be here Isaac will attend to it - Mr Jos. Burnham leaves to-w middle of next week for Lake George and will not be here again until next fall. almost all the rest of our men will be away off and out - and hard to catch. But you are right when you say that you will not order until the money is nearer in sight. If the men around here want the work pushed forward let them pay in their assts without waiting until the last horn blows. I am glad you got the 2000. You dont say if you have it on time or how and whether you would like me to send you a check, as also as for the assessment. Would you like to add the 1000 now in your name - so as to give you another 2000 to each

Cordially yrs father W. Thayer
